Garden Friends

The hundreds of you who have given us your orders during the past thirty years have helped build this business. We like the business—not only because of the friends we have made, but also the enjoyment we have had in trying to learn the many interesting things Mother Nature is always glad to show those of an inquiring and appreciative mind.

But all things human must reach the end of the row. No matter how willing the spirit may be to continue the work, the body wears out. We have reached that place.

In offering price reductions to close out, we feel home owners should receive first consideration—they have helped build the business. Many of our prices have been cut considerably below wholesale. So let us know your garden needs and we will help you help us out of business.

Prices are for delivery at nursery. We have auto freight service and heavy items can be sent by this method, others by parcel post. Packing and transportation at cost. Perennial plants and dahlia tubers are postpaid.

Trees and Shrubs

Most Landscapers consider trees and shrubs the framework around which to build the garden design. Supplying trees and shrubs in as many varieties as will do well in this climate, has been the object behind our present stocks. We have many kinds not found in other medium sized nurseries and in sizes from one to ten feet tall. Below the market prices have been made on every one of them—they require lots of hard work to produce. Let us know what you want and special prices will be made.

Evergreens

Abelia—Edward Goucher. Pink flowers, medium size bush. \$1.25.

Andromeda. Early blooming. White lily of the valley like flowers. Blooming size, \$1.50.

Arborvitea — Globe. Semi dwarf balls. 50c to \$2.25.

Arborvitea—Pyramid. Slender columns. \$2.50 up.

Box Barberry. A fine hedge bush in deep green. 50c to \$2.25.

Boxwood. Slow growing old timer. 50c to \$3.00.

Cypress — Blue Canyon. Compact, tall blue-green trees. 50c up.

Cypress — Elwood. Semi-dwarf trees. Pyramid. 75c up.

Cypress—Fletcher's. Narrow pyramids. 50c to \$3.00.

Cypress—Green Column. Same as Blue except color. 50c up.

Cypress — Wesseli. Branches twisted. Tight column. 48 inch \$3.75.

Cotoneaster — Horizontal. Spreading rock garden bush. Large \$2.50.

Deodora Cedar. Bluish green feathered foliage. Small tree. \$3.50.

Daphne Cneorium—Rose Daphne. Low growing, sweet scented shrubs that bloom over a long season. Several sizes, 50c up.

Juniper — Andora. Low growing ground cover for hard banks. 50c up.

Juniper — Bar Harbor. Bluish ground cover. 24 in. \$1.50.

Juniper — Chinese. Blue green tree, broad base tapers to spire. 50c to \$4.00.

Juniper — Irish. Rounded, narrow column. 7 ft. trees \$5.00.

Juniper — Virginia. Red Cedar of eastern states. \$1.00 to \$5.00.

Juniper — Meyers. Blue green. Always grows off at an angle. 75c up.

Juniper — Pfitzer Aurea. Golden tipped spreader. 75c to \$2.00.

Juniper — Rocky Mountain. Resembles Virginia. 20 in. \$1.25.

Kalmia Latifolia — Mt. Laurel. Large clusters of teacup like pink flowers in June. Large bushes \$3.50 to \$5.00.

Kinnikinnick. Very low growing ground cover. 50c, 75c.

Mugho Pine. Semi-dwarf. \$1.50 up.

Nandina Domestica — "Heavenly Bamboo." Beautiful red and bronze foliage, pink flowers. \$2.50 up.

Pernetia. Medium tall shrub from Chili. Deep red cherries in fall and winter. Male and female plants \$2.25 pair.

Pyracantha — Govt. Red. The heaviest berry producer of all. 75c.

Retinspora Golden and Retinspora blue green. Feathery, small trees. From \$1.00 up to big ones.

Spruce — Colorado. One of the toughest and a beauty. Green and Blue, \$1.25 and up.

Spruce — White. From Lake Superior. 15 inch \$1.25.

Viburnum — Lauristinus. Early, brilliant green, pink flowers, \$1.00.

Yews. Berry bearing small trees. Broom, Cuspidata, Hick's, Irish and Japanese from \$1.00 up.

Winter Creeper — Radicans. Spreading ground cover. 50c, 75c.

Zebeliana. Best of low growing laurels. 50c.

Deciduous Shade Trees

These are marked for closing out this spring and prices have been reduced to less than wholesale in many cases. They come in small, medium and large sizes. If you count on ever owning a shade tree now is the time—they must move this spring.

We have the following kinds: American and Chinese Elm, Catalpa, Chinese Chestnut, Eastern Dogwood, Flowering Crab, Purple Leaf Plumb, Franklinia, Kinko, Coffee Tree, Linden, Mimosa, Persimon, Redbud, Sycamore, Sweet Gum, Tulip Tree, three kinds of Maples, White Fringe Tree, and others.

Deciduous Shrubs

Buddlea — Dubonnet. Wine red butterfly bush. Fragrant. 75c.

Deutzia — Crenata. Prolific bloomer, a bank of white. Rare. Large bushes \$1.75.

Daphne Mezerium — February bloomer. Ours are mostly the rare lavender. Large bushes now blooming \$1.00.

Dogwood Stolonifera. Red barked large shrub, pink clusters of flowers with purple fruit. \$1.25.

Forsythia. Earliest golden. All sizes from 50c to \$1.75.

Hydrangea. Very large blue flowers. Large bushes, \$1.75.

Hydrangea — Pee Gee. The tree hydrangea. 50c and \$1.75.

Kolwitzia — Beauty Bush. Heavy crops of pink flowers. Large \$1.75.

Lavender — Genuine Old English. 50c, 75c and \$1.75.

Lilac — French Pink. A fine sort. 50c to \$3.00.

Tartarian Honeysuckle. Bush type, very fragrant. Large \$1.50.

Philadelphus Coronaria. Large white flowers, orange perfume. 50c.

Sweet Shrub. Beautiful foliage and queer brown flowers. \$1.75.

Weigela Lutea. Yellow flowers, bronze green foliage. \$1.75.

Weigela Rosea. Large bush, pink flowers. 50c to \$2.50.

Van Hout Spirea. Rose shaped white flowers. 75c to \$1.00.

Perennials

Most of our perennials will bloom the first year after moving, and will give annual flowers for many seasons. Perennial plants are postpaid.

Anemone, Queen Charlotte. Large, semi-double light pink flowers. Tall and long season bloomer. 40c.

Columbine—Kaylor Blue Beauty. Largest Columbine and most prolific bloomer. Blue cups with white outer petals. 50c.

Columbine, Sunset Gold. Red cup, golden petals. 50c.

Delphinium. Division plants from known color mothers. Fine. Three \$1.00.

Dicentra—Bleeding Heart. Order early, 65c.

Doronicum. Very tall member of this early blooming family. 35c

Gypsophila—Bristol Fairy. Double Baby's Breath. Large roots, \$1.35.

Gypsophila — Colorado. Not so large flowers as Bristol Fairy but more dense clusters. \$1.35.

Incarvillea — Hardy Gloxinia. Large Gloxinia-like reddish purple flowers on tall stems. 65c.

Stokes Aster — Blue Moon. Very large light blue flowers on 18-inch stems over long season. 35c.

Stokesia Caynes. Same large flowers but in deeper blue, 35c.

Helleborus Niger — Christmas Rose. For the past 25 years we have been improving this popular flower and those who see it think it is better than other kinds. Flowers start in January and continue into late spring. Large, white with golden centers. Small plants 50c, large ones \$1.00 or three for \$2.75.

Trollius — Globe Flower. Our improved strain. Red gold globes on long stems over a long season of bloom. 40c.

Shasta Daisies

Esther Reed. Absolutely reliable. Fine fully double white flowers on 14 inch stems. 35c; five, \$1.10.

Chiffon. Very "frilly" with yellow staymens. 35c.

G. Marconi. Tall and the largest flower, white. 35c.

Mt. Hood. New sort from Oregon. Long stems, fully double with broader petals than others. \$2.50 each.

Violas

Chief Seattle. Double, deep reddish purple over a long season. 50c.

Monger's Favorite. Very large deep blue, and many of them all season. 50c.

Pyrethrums, Painted Daisies

Remember we are tops in these. More than 25 years of breeding and selecting have gone into improving our strains. All are long stemmed sorts, fully double, heavy producers around Memorial Day with more flowers coming through summer. You cannot beat Painted Daisies for satisfactory summer beauty in your garden. Blooming size plants.

Purity. Chrysanthemum like white flower. 50c.

Pauline. Earliest. Nicely rounded medium red with some orange. 50c.

Phillip. Deeper red than Pauline with tips of petals white. 50c.

Phyllis. Medium pink with touches of cream. 50c.

Caroline, largest of light pinks. Continues with its large double flowers until frost. \$1.00.

Cynthia. Best of the reds when she forgets to be temperamental. Somewhat weak grower. \$2.50.

Helen. Nothing "funny" about this one—always produces fine crops of deep pink flowers. \$1.00.

Snowball. Rightly named, a snowball of good size. 50c.

Mixed Pyrethrums. Many kinds, some may be singles, five, \$2.00.

Many new kinds will bloom in our garden next June. Come and see them.

Chrysanthemums

Early to late sorts—all worth while and all at 35c each, three \$1.00 postpaid.

Autumn Sunlight Mid-season yellow.

Bishop Gannon. Golden-orange pom poms.

Bonfire. Mid-season to late. Deep red.

Capt. John Smith. Best early pink.

Early Bronze. Fine pom pom.

Harbinger. Early golden-bronze.

Jasper Spoon. Late. Jasper red spoons.

Omaha. Border type in yellow bronze. ..

Redcoat. Bronze red, late.

Santee. August. Best early yellow.

Sunape. Deep orange-gold pom pom.

Sequoia. Blending of red, yellow and bronze, late.

Yellow Spoon. Tubes and spoons, yellow.

Phlox

The tall growing sorts that bloom over a long summer and fall season. All phlox plants 35c each, three \$1.00 postpaid.

Gefion. Red and white.

Ethel Pritchard. Deep lavender.

Frau Anton Buchner. Large white.

Miss Lingard. Masses of white cones.

Rising Sun. Deep salmon.

Fuerbrand. Large firey red. Rare.

Rosalinda. Soft pink.

Rock Garden Phlox

Fine bank cover material. Heavy bloomers. Early.

Fireking. Purplish red.

Rosea. Medium pink.

Alba. Pure white.

Peonies

Sure you can plant these in the spring if you send an early order. All those listed are a success in this climate and a necessity in every good garden. Postpaid.

Cherry Hill. Red. Tall 75c.

Festiva Maxima. Semi-double white, red spot, 75c.

Eugene Bigott. Late fine deep red, 75c.

Karl Rosefield. Another fine late red. \$1.00.

Mons Jules Elie. Our favorite silver pink. 80c.

Officinallis Rubru. Earliest red. 75c.

Philomela. Pink with golden center \$1.00.

Venus. Full flower in light pink. 75c.

Each has something distinctive — no near duplicates here.

Climbing Vines

For walls, trellises or fences.

Bignonia—Trumpet Flower. Long tubes in bright red. 75c.

Clematis — Henryi. Big white flowers. \$1.00.

Clematis Virgin Bower. Masses of medium size star shaped white flowers. 75c.

Wisteria — Chinese White. Heavy woody climber. 75c.

Glad Bulbs

Heavy cold rains over Washington and Oregon last summer caused much disease in the Glad fields. Because of this we are not offering any bulbs for sale this spring but will try and get the stock cleaned up for next year—if we are still kicking around the garden.

Dahlias

We had a fine crop in 1954 and the tubers are good. Dahlias are postpaid.

Pom Poms. Small, ball type flowers. Amber Queen, amber-apricot; Bobby, prune purple; Eunice, lavender; Joe Fette, white; Winnifred, red. Single tubers 35c, three \$1.00.

Large Flowered Sorts: Bellego's Glory, eight inch mahogany and gold, 60c; Champoeg, gold and pink, 60c; Commodore, extra large yellow, 35c; Dreamthrope, six inch light orange, 50c; Eleanor Francis, tall, large deep scarlet, 50c; Glory de Paris, large medium pink cactus, 50c; Ida Perkins, white, 40c; Ike, tall medium size, deep red, 40c; Jane Cowl, large golden-orange, 40c; Lois Walcher, maroon red tipped white, 50c; Marjorie Emberson, pink miniature, 50c; Miss Glory, semi-cactus yellow, 50c; Sidney, deep pink, 50c; Tip, lemon yellow cactus, 50c; Royal Pennant, big purple, 60c; Thos. A. Edison, purple, 50c; Tower's Empire, gold and amber, 40c; Michigan White, cactus, 40c.

Azaleas

We grow some ten varieties of these and have them from 50c each up to very large plants as low as \$2.50. Many bargains in smaller sizes.

Heathers

Golden, Erica Red; Irish Bell, Mediterranean Maximum, Darley Heart, Mrs. H. E. Beal, and Springwood White. Six inch plants as low as 50c each up to large specimens down to \$1.50 each.
